

STUDENT CARE POLICY

PREAMBLE

This Policy ensures appropriate services are provided by the College to assist overseas students to adjust to life in Australia and to assist all students to achieve their learning goals and make satisfactory progress in the course in which they are enrolled.

This Policy supports the National Code and the Standards for Registered Training Organisations (RTOs) 2015.

DEFINITIONS AND ACRONYMS

“**CoE**” means the confirmation of enrolment.

“**College**” means Australian Pacific College, APC Design School and English Unlimited.

“**ESOS Act**” means the Education Services for Overseas Students Act 2000.

“**National Code**” means the National Code of Practice for Registration Authorities & Providers of Education & Training to Overseas Students 2018

“**Overseas Student**” means a person (whether within or outside Australia) who holds a student visa as defined by the ESOS Act.

“**Policy**” means this Student Care Policy

“**RTOs**” means Standards for Registered Training Organisations (RTOs) 2015.

1. ASSISTANCE FOR STUDENTS

1.1 LIFE IN AUSTRALIA

- a) The College assists students to adjust to life in Australia through a range of support services that are available for all students. The College’s orientation program and student handbooks contain relevant information about living in Australia.
- b) All students are required to participate in an Orientation Session at the beginning of their course. Orientation may be conducted either online or on-campus (or Zoom equivalent) or a combination of both. The Orientation will include (among other things):
 - i) introduction to the College and its staff;

- ii) a tour of the Campus identifying classrooms, student areas, Student Care area, and other services such as toilets, fire exits, and restricted areas;
 - iii) a copy of the Student Handbook and a range of documents relating to the selected course and available services;
 - iv) further information about the courses to be delivered;
 - v) student administration requirements; and
 - vi) Student Care and campus resources.
- c) Further assistance can be obtained from Student Care, the College notice boards and websites.
- d) Students may have the opportunity to participate in additional College initiatives such as social clubs, networks and/or the APC Study Buddy program.

1.2 ACADEMIC SUPPORT

- a) The College offers all reasonable support to students to enable them to achieve expected learning outcomes regardless of the student's place of study or the mode of study at no additional cost. The College offers academic support and study progress support which can take the form of one-on-one tuition, small group tuition and additional catch up classes. Fees and charges may apply only where an external service is used or if the student (ELICOS only) chooses to join additional core classes because an intervention strategy has been activated. This will be clarified with the student prior to using such services.
- b) All students of the College have access to face-to-face time with their trainer or teacher, including those students studying via online and distance courses. This enables the College to maintain contact with their students and ensure those students who need access to learning support services are identified quickly and early. Students are actively encouraged to reach out to the College via Student Care or the Study Progress team for additional assistance if they need.
- c) The College's trainers and teachers are informed in regular staff meetings of the additional academic support available to students.

1.3 WELFARE SUPPORT

- a) Where students present with personal problems, such as:
- i) crises in their life (their own or their family's);
 - ii) difficulty in making an important decision;
 - iii) feeling depressed;
 - iv) feeling highly stressed;
 - v) alcohol/drug abuse, gambling or other addictive behaviour that is seriously affecting their health or social functioning, including their

- study;
- vi) eating disorders;
- vii) suicidal thoughts; and/or
- viii) stress

Student Care can provide details of external counselling services that the student can see to talk through any problems. If the student is considered a danger to themselves or others, emergency services will be contacted by the College to assist.

2. CRITICAL INCIDENTS

- 2.1 A critical incident is a traumatic event, or the threat of such (within or outside Australia) which causes extreme stress, fear or injury that could affect the student's ability to undertake or complete a course. Refer to the Critical Incident Policy for more information.
- 2.2 In the event of a critical incident a student should immediately approach Student Care or their Campus Coordinator/Manager.

3. UNDER 18 YEAR OLD STUDENTS

- 3.1 The College is committed to ensuring the safety, welfare and wellbeing of all students who are under the age of 18 years of age. At orientation these students are provided with age appropriate information as well as contact details for staff members to contact for further information, who to contact in emergency situations and specific information outlining the assistance available to these students for incidents (or allegations) of actual or alleged sexual, physical or other forms of abuse.
- 3.2 For general matters under 18 year old students should contact Student Care. If the Students have any issues that are causing them distress, they should contact the [Campus Managers](#) (Emergency number available 24 hours).

4. WHO TO CONTACT FOR SUPPORT

- 4.4 The College's Student Care, Academic and Academic Management teams are knowledgeable about and are regularly trained on various support services offered by the College. The College's student support personnel include Student Care Officers, Assistant Academic Managers, Study Progress Officers, Student Experience Coordinators, Campus Coordinators and Campus Managers. These support personnel are located at each campus, online or for the senior roles, statewide (in all states where campuses are located).
- 4.5 The College is a student focussed educational institution and this forms the ethos when employing and training all staff. Staff who interact directly with the College's Overseas Students are made aware of the College's obligations under the ESOS framework and the implications of these obligations for these students.
- 5. RECORDING DETAILS OF SUPPORT**
- 5.1 Details of interactions with students will be entered into the College's student management system.
